Tap into our private Facebook community to collaborate with other centres, exchange strategies, and strengthen your team's neuroinclusive expertise.

## Frequently Asked Questions

**How do I apply to become an Autism Swim Approved Provider?**

Complete the Neurodiversity + Aquatics Certification, then submit your Approved Provider application through the Neuroinclusive Aquatics Academy.

**What's the difference between Neurodiversity + Aquatics Certification and Approved Provider status?**

Certification recognises your training. Approved Provider status recognises your ongoing commitment to delivering neuroinclusive aquatics and provides external endorsement and listing as an Autism Swim Approved Provider.

**I completed my certification more than 12 months ago. Can I still apply to become an Approved Provider?**

If you completed Autism Swim Certification before 31 December 2023, you'll need to complete the new certification course through the Neuroinclusive Aquatics Academy which reflects the latest learning and best practice in neuroinclusive aquatics. If completed between 1 January 2024 and 31 December 2024, please email [admin@autismswim.com.au](mailto:admin@autismswim.com.au) for next steps.

**Do I have to renew every 12 months?**

By choosing to renew, you retain your Approved Provider status while ensuring your knowledge stays current and demonstrates your continued commitment to neuroinclusive aquatics practice.

**My organisations have multiple venues. Do I have to purchase a membership for each location, or just the ones I want?**

Membership for Organisations is valid for up to 5 locations. You can choose which venues apply to become Approved Providers. If you'd like more location listings, please get in touch with us [admin@autismswim.com.au](mailto:admin@autismswim.com.au)

**I work for a large organisation but I'm the only one applying. What are my options?**

You can apply as an individual provider. Your organisation can pursue broader approval later if more staff or locations wish to participate.

**I have a question. Who can I speak to?**

Our team is happy to help. Email [admin@autismswim.com.au](mailto:admin@autismswim.com.au) and we'll get back to you with the information you need.
